

EN

This appliance complies with the European directives:

UNI EN 442-1:2004 Radiators and convectors
EN 305/2011 Regulation on hazardous substances.

SYMBOLS USED IN THE MANUAL

! DANGER FOR THE SAFETY OF PERSONS, PETS AND THINGS.

! DANGER OF DAMAGE TO THE APPLIANCE.

TIPS FOR EFFICIENT OPERATION.

Children of less than 3 years should be kept away un-

only switch on/off the appliance provided that it has

been packed or installed in its intended normal op-

eration position and they have been given appropriate

information concerning use of the appliance in a

safe way and understand the hazards involved.

Children shall not play with the appliance. Cleaning

and user maintenance shall not be made by children

without supervision.

CAUTION: some parts of this product can become

very hot and dangerous. Particular attention has to

be given where children and vulnerable people are

present.

GENERAL INFORMATION

Avoid storing the appliance in places at risk of freezing.

Unpack the appliance carefully and rest it on the polystyrene

Read all the instructions carefully before installation and use.

Keep for future consultation.

Read and use the appliance as described in these instructions.

These instructions do not cover all situations which might arise.

The manufacturer's used for packaging can be recycled. You

are therefore recommended to dispose of them in special

differentiated waste collection containers.

The appliance must be used properly mounted on a wall as

described in the instructions.
